

## Plotfoil Scratch

## Plotfoil Stone

At first glance a regular textile, on second a bright shining piece of lifestyle!

Seen in full daylight, caught by the headlights of a passing car or admired in the darkness of your favourite club, reflectra® always delivers a stunning performance. Find out how your product develops star-qualities: on a flashlight photo, in the sun or through artificial lights...

Reflective effects of a new generation!

## Plotfoil Star

Despite every effort to accurately duplicate each colour when scanned to our website, actual colours may vary slightly. This is due to monitor and/or video card differences, subtle variations in colour and surface texture may not be fully revealed.

If you need to be 100% certain that any slight variations occurring between the actual colour, and the representation on our website then we advise you either purchase a swatch card from us for £10.00 or alternatively you can pop into the shop to view a swatch card there.

WITHOUT FLASH

WITH FLASH

Reflectra® products are comfortable in every surrounding: in the middle of a flood lit snowboard track or a crowded football stadium with its bright lights. It is perfect for people who want an extra-boost to their visibility in a hectic city life, or as an individual fashionstatement.

Everything is possible! From simple colour combinations and retro prints with flash effect, to embellishments with rhinestones, flock and glitter, multi-color-designs...
