Despite every effort to accurately duplicate each colour when scanned to our website, actual colours may vary slightly. This is due to monitor and/or video card differences, subtle variations in colour and surface texture may not be fully revealed.

If you need to be 100% certain that any slight variations occurring between the actual colour, and the representation on our website then we advise you either purchase a swatch card from us for £10.00 or alternatively you can pop into the shop to view a swatch card there.
